We are delighted to introduce this spacious five bedroom dormer bungalow to the market.

The family home has been very well maintained throughout and has the added advantage of a large detached garage to the side of the property which offers the new owners many uses such as office, gym, workshop etc.

The property is located in a much sought after residential area with both primary & secondary schools less than a five minute drive and very easy access to the M8 Motorway.

The dormer bungalow is nicely set back from the public road. The site is walled in to the front and to the rear the large garden is not overlooked, fully enclosed offering privacy. There is a patio area which is ideal for dining alfresco.
