We are delighted to present to the market this ideally located 3-bedroom end-terrace home, nestled in a quiet cul-de-sac just a short stroll from the scenic Portrane beach.

While 17 Longstone Park was constructed in the mid-1960s and may need of some modernisation, it offers a superb opportunity for buyers to put their own stamp on a spacious and well-positioned home in a desirable coastal location.

The accommodation comprises a welcoming entrance hall, living room, kitchen/dining area, three bedrooms, and a main family bathroom. The home benefits from a generous side entrance, providing excellent potential for extension (subject to planning permission), and a private south-facing rear garden that enjoys day-long sunshine.

Additional features include off-street parking, cul-de-sac setting, and close proximity to local schools, shops, public transport, and the natural beauty of the nearby coastline. This

property will appeal to a range of buyers including first-time purchasers, those looking to trade up, or investors seeking a strong rental opportunity.

With solid bones and an enviable location, 17 Longstone Park is bursting with potential — an ideal canvas for creating a modern family home by the sea.
